- Guards masterlist
 - Manage guard masterlist

A screenshot of the 'Guard Masterlist' interface. At the top right, there is a link that says 'create new record'. Below this is a search bar and a dropdown menu set to '10 items'. The main part of the interface is a table with the following columns: 'Employee Number', 'Name', 'Email', 'Username', 'Assigned Location', and 'Date Created'. There are two data rows. The first row shows an employee with ID 198, named Mohammed Moideen, with email moideen@gmail.com, username moideen, assigned to Porsche Quick Service Center, and created on Jan 02, 2023. The second row shows an employee with ID 897, named Bishnu Bhattaree, with email Bishnu.Bhattaree@mail.com, username 897, assigned to Porsche Service Center Street 16, and created on Dec 04, 2022. At the bottom, it says 'Showing 1 to 2 of 2 entries' and has navigation buttons for 'Previous', '1' (the current page), and 'Next'.

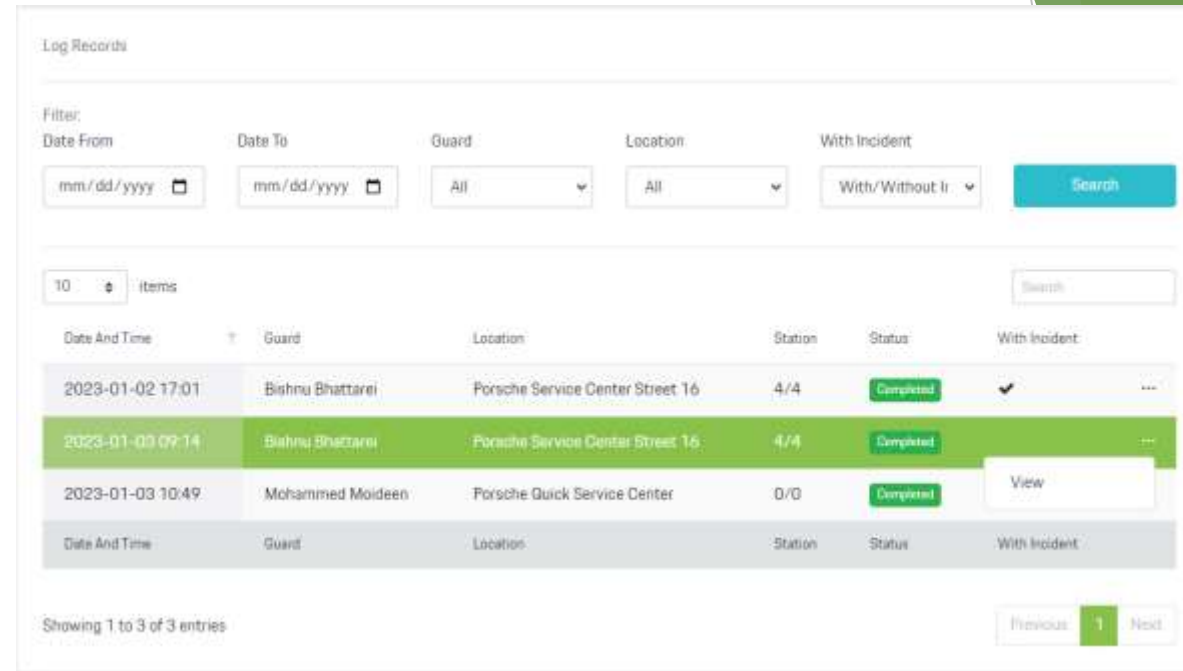

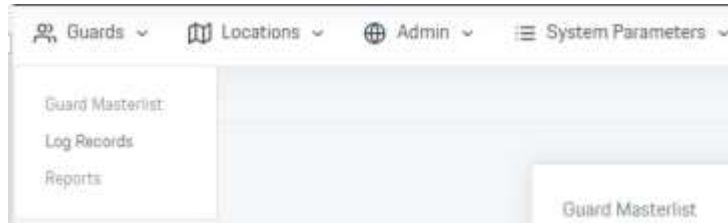

Employee Number	Name	Email	Username	Assigned Location	Date Created
198	Mohammed Moideen	moideen@gmail.com	moideen	Porsche Quick Service Center	Jan 02, 2023
897	Bishnu Bhattaree	Bishnu.Bhattaree@mail.com	897	Porsche Service Center Street 16	Dec 04, 2022

- Add new guard module
 - Manage guard information
 - Assign login credentials
 - Assign designated location

A screenshot of the 'Add New Guard' form. It features a large circular placeholder for a profile picture at the top. Below this, there are two columns of input fields. The left column contains 'Employee Number *', 'Username *', and 'Password *'. The right column contains 'Full Name *', 'Email *', and 'Assigned Location *'. The 'Assigned Location *' field is a dropdown menu currently showing 'select'. At the bottom right of the form, there are two buttons: 'Close' and 'Save'.

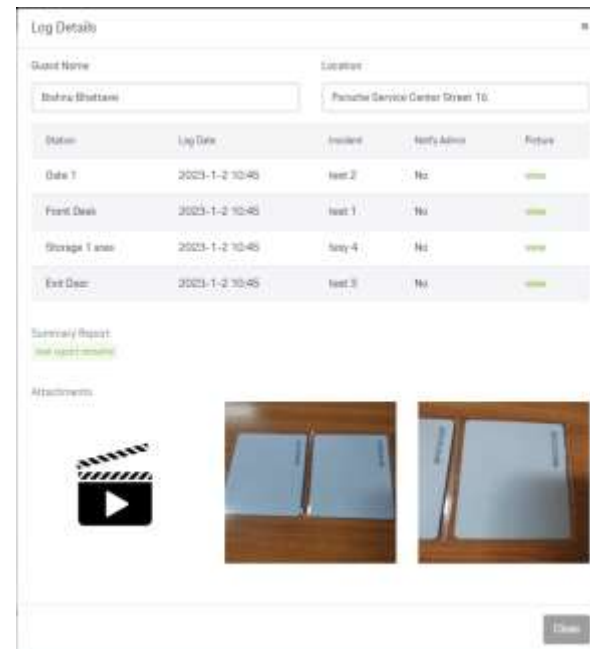

► Guards logs record

- View guard daily log reports with pictures and video
- Filter by guard/date/location/status

• View log details

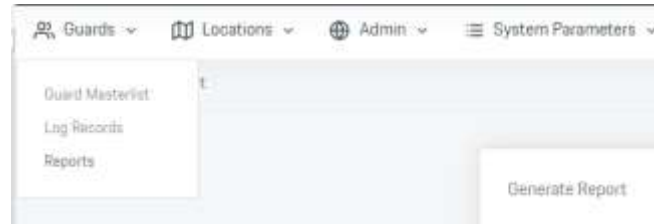

- Check all location point remarks
- View image per location point
- Log time
- Summary report
- View attached image and videos

► report

► Filter options

- Locations
- Guard
- Date range
- Export to excel

A screenshot of the 'Generate Report' form. It contains several dropdown menus and input fields for filtering reports. The 'Report Type' dropdown is set to 'Summary Report'. The 'Location' dropdown is set to 'All'. The 'Guard' dropdown is set to 'All'. The 'Date From' and 'Date To' fields are set to 'mm/dd/yyyy'. The 'Notify Admin' dropdown is set to 'All'. The 'Export To Excel' dropdown is set to 'No'. A green 'Generate Report' button is at the bottom.

• Sample report

- ▶ Mobile app login
 - ▶ Enter guard username
 - ▶ Enter password

The screenshot shows the mobile app interface for Porsche Guard Patrol. At the top, a black status bar displays signal strength, Wi-Fi, and battery status (92% at 11:09). The app's logo, featuring the Porsche crest and the word "PORSCHE" in a bold, sans-serif font, is centered. Below the logo, the text "GUARD PATROL" is displayed. The login form consists of two white input fields with gray borders: the first is labeled "username" and the second is labeled "Password". Below these fields is a prominent red button with the word "LOGIN" in white, uppercase letters. At the bottom of the screen, a white navigation bar contains three standard Android icons: a triangle, a circle, and a square.

► Account

- Show network status
- Option to change password
- Option to start transaction

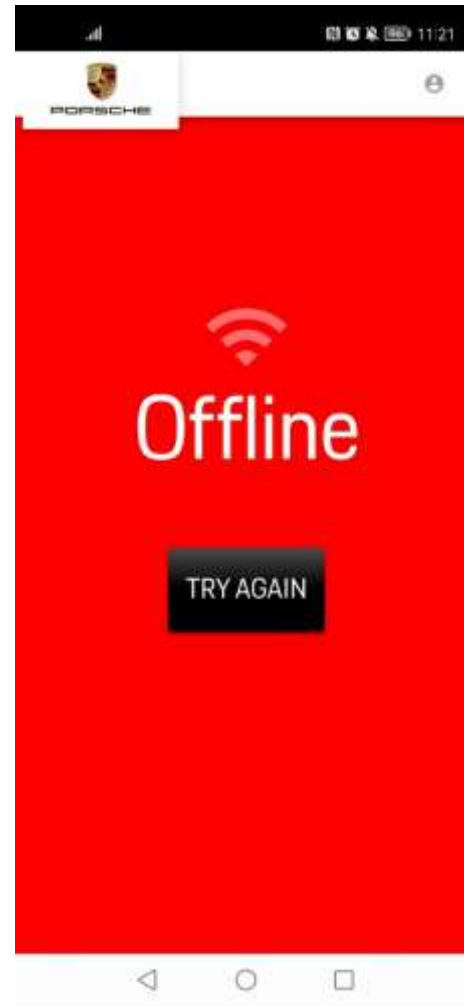

► Network Status Check

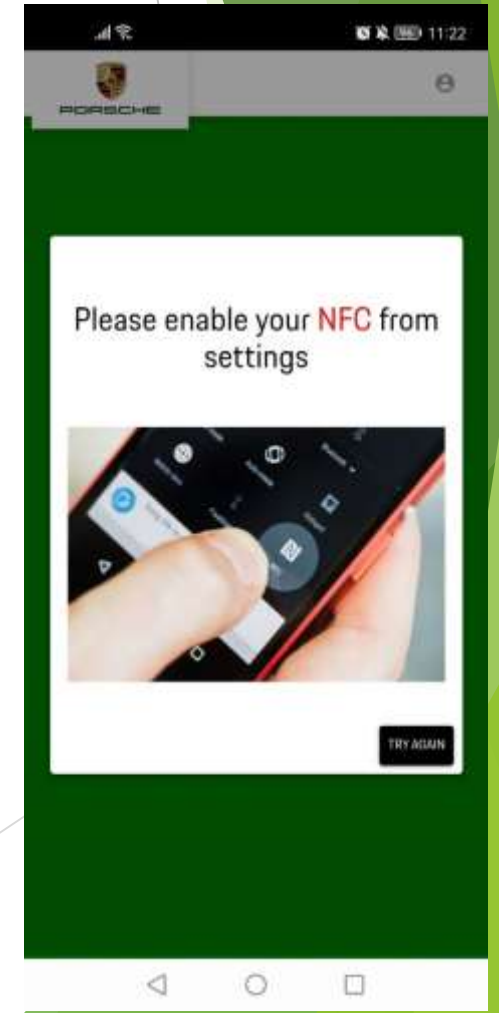

- Successfully connected to correct network

- Error network

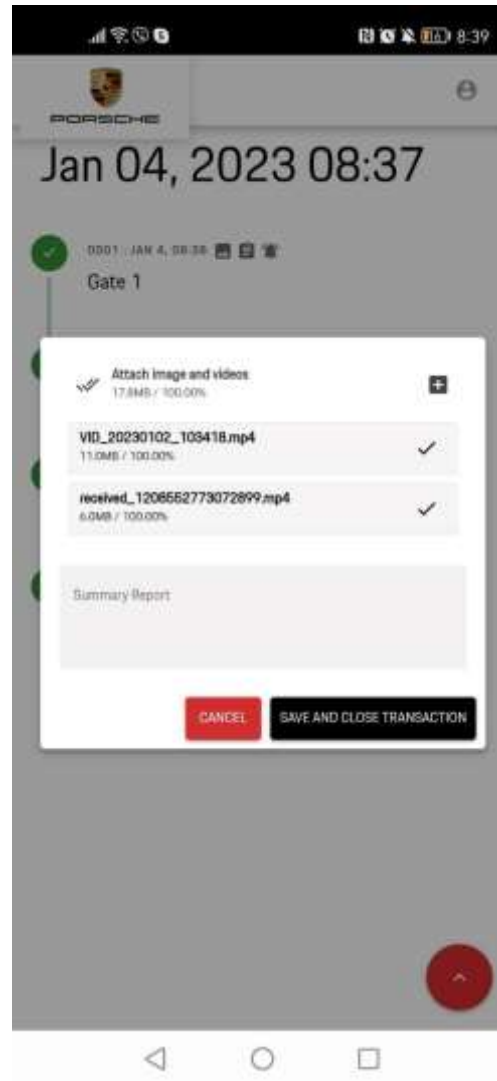

- NFC Status Check
 - Check mobile device NFC settings

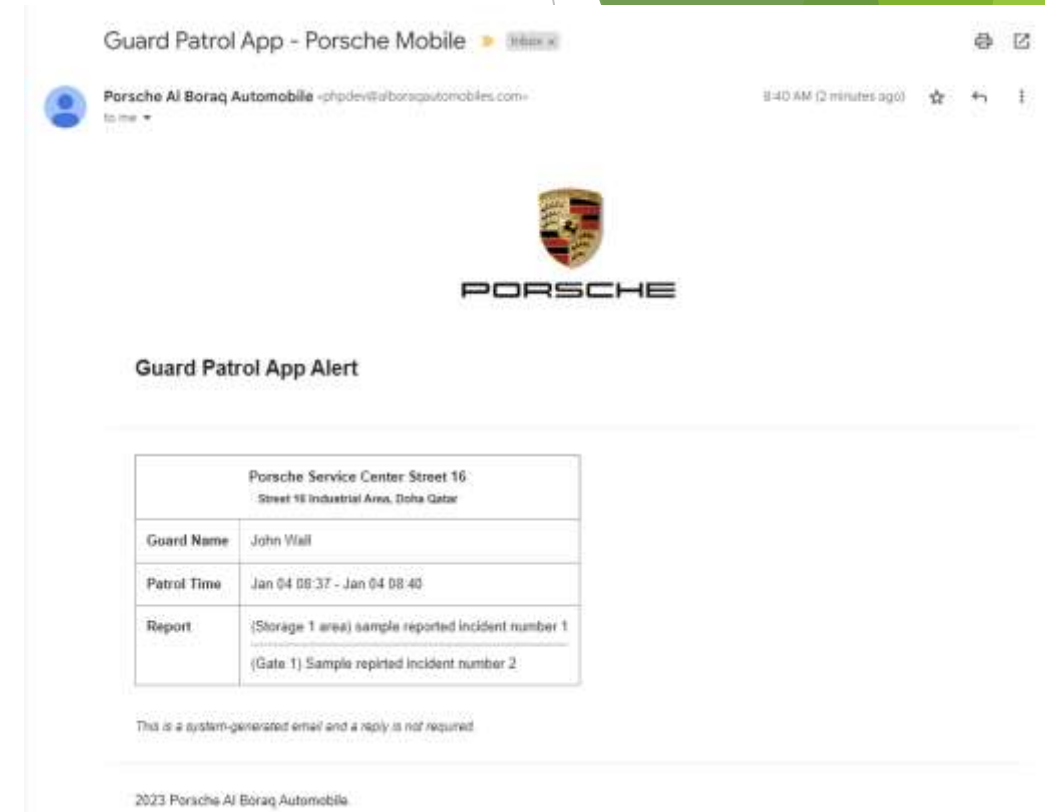

- ▶ Guard patrol transaction
 - ▶ Scan NFC to update each point location
 - ▶ App can be disconnected to network while patrolling

- Finish Patrolling
 - Submit transaction and enter summary report
 - Attach more images and recorded videos
 - Option to send notification to admin

- Email notification

End of Process

- ▶ Will return to start page
 - ▶ Can create multiple transaction in a day
